

Editorial – General Assembly Meeting

The annual general assembly meeting of our club was physically held on May 11, 2022 in the Paris Montparnasse premises. The President presented the moral and activities report on 2021, the treasurer the financial report and the provisional budget for 2022. The votes were taken by secret ballot. The reports were all approved unanimously.

Ten candidates presented themselves for seven board members positions to be filled.

The three outgoing members - Patrice Cadot, Christian Garnier and Thierry Mercier - were re-elected. Four new members were elected: Isabelle Boccon-Gibod, Jean-François Capoulade, Philippe Nicolet and Pierre Saint-Ellier.

On May 18, 2022 the new executive office members were elected as follows:

- chairman Patrick Demaret
- vice-chairman: Jean-Yves Gresser
- second vice-chairman Édouard Barrat
- secretary: Thierry Mercier
- treasurer: Patrice Cadot
- deputy treasurer: Jean-François Capoulade.

The whole team is ready to put in place new activities. We are eager to learn from your projects in stereoscopy. Please do not hesitate to let us know about them., my e-mail address: patrick.demaret.92@gmail.com.
