Les Films Tru-Vue

Concurrents de View Master, les films Tru-Vue utilisent le format 135.

En noir et blanc au départ, il en existe en couleurs mais comme beaucoup d'inversibles couleurs de l'époque, il en reste peu, de couleurs.

Ces films, qui se regardent avec une visionneuse appropriée, portent tous l'année de parution.

READ IMPORTANT DIRECTIONS READ

1

Hold TRU-VUE in right hand, trigger down. With left hand, insert START end of film reel in slot. Push film to right until end is flush with right hand side of Stereoscope.

Use correct operating position of thumb and trigger finger. Then face strong light and hold lenses close to your eyes. Pull trigger quickly all the way toward thumb. Release slowly and repeat movement.

2

(Over) U. S. PAT. 2,326,718

There are two pictures of each scene—one which you see with your left eye, the other with your right eye—and while it may seem that you are skipping two pictures, the film is merely moving into proper position for the next view.

Always rewind film after viewing. Pull film back and release, allowing it to re-roll as shown.

3

Should your Stereoscope fail to operate, **WITHOUT OPENING OR TAMPERING** return to factory, and we will service it. Mail the attached card for your **FREE FILM** and complete catalog of our Film Library, showing Subjects available at your **LOCAL DEALERS**—more than 350 Subjects, over 5000 views. When the Business Reply Card is received by us, your TRU-VUE Stereoscope will be registered under a **LIFETIME GUARANTEE**.
